**TO: ALL NEW ELIGIBLE PARTICIPANTS**

**IMPORTANT: Vision plan coverage will not be available for you or your family members until you select a vision plan.**

Please read the enclosed material and refer to the comparison between the Vision Service Plan (VSP) program and the Spectera program. We encourage you to read the material and select the best plan for your needs. Vision coverage will be effective on the first day of the month following receipt of your enrollment form.

The **Spectera** plan has a network of thousands of independent eye doctors and convenient retail optical providers, such as COSTCO, For Eyes, Vista Optical, United Optical, Sterling Optical, Site for Sore Eyes and hundreds of others. Retail providers are available on evenings and weekends, and usually do not require an appointment. Some retail providers offer convenient “same day services”.

The **Vision Service Plan (VSP)** has the nation’s largest eyecare doctor network, with thousands of independent eye doctors located in metropolitan as well as rural areas. More than ninety percent of members have access to a VSP doctor within ten miles of work and home. These optometrists and ophthalmologists typically require an appointment in advance, however many of them have extended office hours.

- **NOTE:** Lasik laser eye surgery is not usually a covered Plan benefit. However, both plans offer you discounts from laser eye centers across the country.

## **HOW TO LOCATE A NETWORK PROVIDER:**

**Spectera:** Call Spectera’s toll-free number 24 hours per day, 7 days per week to locate a provider in your area (800-839-3242), or locate a provider and get other information on the Spectera web site ([www.spectera.com](http://www.spectera.com)). Select a network provider (independent doctor or retail location) and call for an appointment. The network provider will confirm eligibility and vision benefits for you. No claim form, I.D. card or other paperwork is needed.

**Vision Service Plan (VSP):** Call VSP’s toll-free customer service between 6AM and 7PM Pacific Time to locate a provider in your area (800-877-7195), or locate a provider and get other information on the VSP web site ([www.vsp.com](http://www.vsp.com)). Select a provider and call for an appointment. Tell the doctor you are a VSP member. The VSP doctor will confirm eligibility and vision benefits for you. No claim form, I.D. card or other paperwork is needed.
